Join us in supporting the

# COVID-19 EMERGENCY RELIEF FUND

## Coming together to support the needs of our community.

The Abbotsford Community Foundation exemplified that by introducing the **COVID-19 Emergency Relief Fund**. They made an initial donation of \$30,000 to start the fund, and they're asking the community to come together and match that total.

During these uncertain times, it's vital to help our neighbours in the community. These aren't easy times, especially for someone who has lost their job, someone who struggles paycheck to paycheck, or those who have children to look after at home full-time.

That's why we're happy to announce that our branch made a \$6,000 matching gift to the Abbotsford Community Foundation's COVID-19 Emergency Relief Fund. The donated funds will be equally divided between four non-profit organizations who serve vulnerable individuals in the community. Through the Foundation, donations will be distributed equally to Archway Food Bank, Cyrus Centre, SARA for Women and The Salvation Army.

We challenge other businesses and individuals in the community to join us in doing the same. Help us triple the gift by donating at:
